

MPI Certified Architectural Coatings Inspectors

To become an MPI Certified Architectural Coatings Inspector you first need to complete all levels of the MPI Training Program, meet the relevant criteria, and pass the PEKA assessment.

Below you will find a list of the current MPDA **MPI Certified Architectural Coatings Inspectors**.

Inspector Name	Inspector #	Area	Contact
Manuel Fernandes	#00201	BC, Canada	To contact or arrange an inspection by an MPDA Inspector in BC, Canada: Email nancy@mpda.net or Call: 1 604 298 3875
Dave Lick	#00202	BC, Canada	
Clayton Des Roche	#00203	BC, Canada	
Mark Swiderski	#00204	BC, Canada	
Glen Ashmore	#00205	BC, Canada	
George Gough	#00208	BC, Canada	
Darrell Fuller	#00209	BC, Canada	

Below you will find a list of the current independent **MPI Certified Architectural Coatings Inspectors**.

Inspector Name	Inspector #	Area	Contact
Alan Luedrs	#00220	CA, USA	alanlue@aol.com
Brian O'Farrell	#00222	ON, Canada	brian@dpcoatings.ca
Don Powers	#00223	AB, Canada	info@paintinspections.com
Arthur Ruff	#00224	AZ, USA	art.ruff@schuff.com
Kirk Beggs	#00227	AB, Canada	marketing@apca.ca
